We want your unused and defective Lucks circuit boards and panels.

We will buy them from you!!

Don't let these valuable items get thrown away, or stack up in a corner!

This offer is subject to change or cancellation without notice and the refund/purchase amount will be adjusted for any missing parts and voided for a board deemed non-repairable.

Damage to the boards caused by electrical surges, water, fire,

or un-authorized modification or repair will usually be deemed un-repairable.
